

Mobacar makes the top ten on the 'Deloitte Technology Fast 50' list

Mobacar, a provider of Intelligent Mobility Solutions, based in Killarney, Co Kerry, are delighted to announce that they have been ranked Number 8 in the Deloitte Technology Fast 50. This is one of Ireland's foremost technology award programmes, celebrating innovation and entrepreneurship. Now in its nineteenth successful year, it is a ranking of the country's 50 fastest growing technology companies based on revenue growth over the last four years.

"I am extremely privileged, through my role as programme lead of the Deloitte Technology Fast 50 Awards in Ireland, to see first-hand how Irish-led technology is driving solutions.

Through the awards, we recognise Irish technology companies that are at the cutting edge, using technology for progress, to address the challenges that we all face and create opportunities, both for themselves and for those that use their products."

David Shanahan, Deloitte Ireland

Mike Webster, Mobacar CEO, commenting on the listing: "We are thrilled to be included in this list, it is a great validation for all the hard work and innovation the Mobacar team have delivered over the past few years."

The full ranking of the companies was announced at a gala night in the **Clayton Hotel Burlington Road** on the second of November.

Mobacar has been variously listed as one of "Skift's Top Travel Startups to Watch 2018" has been featured in "Innovation Nation 2018" published by TechIreland and in 2017 Mobacar was listed as one of the top 25 Artificial Intelligence companies in Europe by CIO Applications Europe.
